Contact Information

How do you plan to use AWS?

- ☐ Business - for your work, school, or organization
- ☒ Personal - for your own projects

Who should we contact about this account?

Full Name

Phone Number

Enter your country code and your phone number.

Start from service activation date

+1 222-333-4444

Country or Region

United States ▼

Address

Apartment, suite, unit, building, floor, etc.

City

State, Province, or Region

Postal Code

☐ I have read and agree to the terms of the [AWS Customer Agreement](#).

Continue (step 2 of 5)

Step 4

Add your credit card information.

On the Billing address section, check if your address added before is right.

Secure verification

 We will not charge for usage below AWS Free Tier limits. We temporarily hold R\$3 BRL as a pending transaction for 3-5 days to verify your identity.

Sign up for AWS

Billing Information

Credit card number

AWS accepts most major credit cards. To learn more about payment options, review our [FAQ](#)

Expiration date

Month ▼

Year ▼

Cardholder's name

Billing address

☒ Use my contact address

☐ Use a new address

Select your **Home Country Registration type** and fill up the **Tax Registration Number** field.

Click on **Verify** and **Continue**.

Tax Registration Type

☐ CNPJ

☒ CPF

Tax Registration Number

XXX.XXX.XXX-XX

Verify and Continue (step 3 of 5)

You might be redirected to your bank's website to authorize the verification charge.

Step 5

Choose the Text message (SMS) option, add your Country or region code and your Mobile phone number to verification. On the Security check section, type the characters as shown above. Click on Send SMS.

Sign up for AWS

Confirm your identity

Before you can use your AWS account, you must verify your phone number. When you continue, the AWS automated system will contact you with a verification code.

How should we send you the verification code?

☒ Text message (SMS)

☐ Voice call

Country or region code

United States (+1)

Mobile phone number

Security check

Type the characters as shown above

Send SMS (step 4 of 5)

Wait for the SMS code. You will use it on the next step.

Step 6

Add the received SMS code and click on **Continue**.

Sign up for AWS

Confirm your identity

Verify code

Continue (step 4 of 5)

Having trouble? Sometimes it takes up to 10 minutes to retrieve a verification code. If it's been longer than that, [return to the previous page](#) and try again.

Step 7

Keep **Basic support - Free** selected.

Click on **Complete Sign up**.

Sign up for AWS

Select a support plan

Choose a support plan for your business or personal account. [Compare plans and pricing examples](#)
 You can change your plan anytime in the AWS Management Console.

<p><input checked="" type="radio"/> Basic support - Free</p> <ul style="list-style-type: none">• Recommended for new users just getting started with AWS• 24x7 self-service access to AWS resources• For account and billing issues only• Access to Personal Health Dashboard & Trusted Advisor 	<p><input type="radio"/> Developer support - From \$29/month</p> <ul style="list-style-type: none">• Recommended for developers experimenting with AWS• Email access to AWS Support during business hours• 12 (business)-hour response times 	<p><input type="radio"/> Business support - From \$100/month</p> <ul style="list-style-type: none">• Recommended for running production workloads on AWS• 24x7 tech support via email, phone, and chat• 1-hour response times• Full set of Trusted Advisor best-practice recommendations
